Rationale
Westgarth Primary School’s excursion and in-school activities program is designed to complement the school’s educational programs and provide students with further opportunities to develop their learning and social skills.

Aims
- To reinforce, complement and extend learning opportunities beyond the classroom
- To develop an understanding that learning is not limited to school, and that valuable and powerful learning takes place in the real world.
- To ensure that all excursions and in-school activities are carried out in accordance with health and safety guidelines.

Actions
- The Principal must approve all excursions and in-school activities. In doing so, the Principal will ensure that all excursions and in-school activities are maintained at a reasonable and affordable cost and comply with all departmental requirements.
- School Council will determine an ‘Excursions Levy’ each year. Parents can bulk pay for the year’s excursions or pay for individual excursions as they occur. To assist in this matter, parents have an opportunity to sign over their Educational Maintenance Allowance cheque if applicable.
- All endeavours will be made to include all students regardless of their financial circumstances. Parents/Guardians experiencing financial difficulty will be required to discuss their individual situation with the Principal. Decisions relating to alternative payment arrangements will be made by the Principal on a case-by-case basis.
- The designated Teacher in Charge will ensure that all excursions, transport arrangements and excursion activities comply with departmental guidelines.
- All buses hired to transport students must meet or exceed the safety standards equal to that of the existing public transport network or those recommended by the relevant government authority. In cases where the proposed journey is beyond the local neighbourhood and involves travel on open highway, freeway or tollway then buses equipped with seat belts will be booked.
- Prior to any student attending an excursion, parents/guardians must have provided to the school a signed permission form, a signed “Confidential Medical Information for Approved Excursions” form, and must have paid the costs involved.
Excursions and In-School Activities

- The online DE&T ‘Notification of School Activity’ proforma will be completed as required at: www.eduweb.vic.gov.au/forms/school/sal/enteractivity.asp

- When organising off-site activities during the bushfire season, the staff at W.P.S will continue to assess the likely threat of fire. Off-site activities in areas affected by a predicted Code Red day should be cancelled or recalled.

- Classroom teachers will be given the first option to attend excursions.

- The school will encourage staff to carry their personal mobile phone and a first aid kit will be required for all excursions.

- Copies of completed Permission forms, and signed “Confidential Medical Information for Approved Excursions” forms must be carried by excursion staff at all times.

- Prior to excursions or in-school activities, the participation of students with additional needs or behaviour management plans will be discussed with parents/guardians and the appropriate teachers.
