Communities Expo

This term, the Grade 1 students have been learning about different Communities. They have focused on what they look like and the types of services they provide. Students have used the knowledge gained from our Discovery Rotations to design and create dioramas and write an Information Report, based on their project.

We would like to invite you to come along and view our 4 different Classroom Communities (Urban, Suburban, Rural and Indigenous Communities) on;

**Tuesday 23rd June between 3.00 p.m. – 4.00 p.m.**
**Wednesday 24th June between 9.00 a.m. – 9:30 a.m.**

We are very excited to be presenting our Community projects and look forward to your attendance
