Dear Parents and Carers,

This term our writing focus is on exploring, creating, and reading procedural texts. To support our students learning, they will be following a recipe to make either a baked potato or a healthy sandwich.

Please note that there will be no cost for this cooking experience.

**Tuesday 21 July:**  Baked potatoes – 1 Michael and 1 Ellie
**Thursday 23 July:**  Healthy sandwiches – 1 Vicky and 1 Winter

Below is a table of the fillings that students will be able to select from, based on their personal preferences and the item they are making.
