Welcome to the 2015 Victorian Premiers’ Reading Challenge!

The Victorian Premier’s Reading Challenge is for all Victorian students - Early childhood to Year 10. The aim of the Challenge is to promote a love of reading. It is not a competition, but a challenge to each student to read, to read more and to read more widely.

This Challenge is supported by our current premier - The Hon Daniel Andrews MP, all living former Premiers, the Minister for Education and the Minister for Children and Families.

The Victorian Premier’s Reading Challenge is a great way for parents and teachers to encourage children to explore new titles, genres and authors.

Students in Prep to Grade 2 are expected to read or ‘experience’ 30 books and students in Grade 3 to 6 are expected to read 15 books by the end date in September. The school will then verify all books read by students and confirm completion of the Challenge to the VPRC. Of course if you have a very enthusiastic reader, there is no reason to stop once they have reached this target.

Prep to 2 students can read books by themselves or with someone else, such as a teacher, family member, classmate or a friend.

Students who achieve the Reading Challenge will receive a certificate from the Premier and have their names printed in the online Honour Roll, provided you have signed the permission form attached.

Please complete and return the permission form to your child’s classroom teacher so that your child can enter the Victorian Premier’s Reading Challenge for 2015. Once students have been registered by the school you will receive log in details and a log in password.

Students in Prep to 6 or a family member can then enter their books online at home. In the meantime, remember to write down the title and author of all the books you are reading so that you can add them to the database.

Information about the 2015 Challenge is on the website: http://www.education.vic.gov.au/prc (We will issue User ids and passwords, on receipt of permission forms).

Happy Reading
