100 Days of School!

Dear Parents/Carers,

On **Monday the 1st of August** the Prep students will be **celebrating 100 days at school**. Preps will be participating in special activities on this day.

To celebrate such an exciting achievement we ask that students **bring in 100 of something** from home, so that we can practise counting these in class. This could include objects like paper clips, pegs, pasta pieces or beads. Please ensure that these items come to school in a secure container (no glass please) or zip-lock bag.

Students can also **dress up in special clothing** on this day. The theme for this special clothing is "What will I look like when I'm 100 years old?" (Students will require normal shoes for outside play).

We are looking forward to celebrating this wonderful milestone. Please see your classroom teachers if you have any further questions.

Happy
100
Days!

Thanks,

Prep Team (Kenji, Stacey, Ellie and Tara)
