

Addition and subtraction wheel template

Instructions

1. Cut out the 'jacket' and the wheel.
2. Fold the 'jacket' along the dotted line.
3. Push a split pin through the dots that mark all the centre points so that the dots line up.
4. Make sure the wheel spins.
5. Write the numbers to complete the pairs of addition/subtraction facts.

NOTE: Each set of number facts requires a new 'jacket' and wheel.
