

Year 3 – Year 4 Homework

Westgarth Primary School
Safe, Fair & Friendly

Term 1, Week 7-8

Reading

- Ask your child to compare and evaluate two texts presenting the same ideas and analyse/explain why one is more comprehensible or engaging than the other.
- Ask your child to make create table and record examples of verb groups used by authors to represent various kinds of actions in a text:

<i>Thinking</i>	<i>Feeling</i>	<i>Saying</i>	<i>Doing</i>

Ideally, the list of verbs could be used when completing this fortnight's writing task.

Writing

- Either download/print (from the following page) or draw up a template with your child to use to help them plan their ideas for narrative.
- Have your child write an imaginative text based on characters, settings and events that he or she knows. Have your child change the point of view in a published story, revise the ending or create a sequel.
- Ask your child to re-read his/her own writing and make corrections (if needed) to clarify meaning, and correct his/her spelling and/or punctuation.

Mathematics – Problem Solving

- Practise basic addition facts: <http://www.arcademics.com/games/jet-ski/jet-ski.html>
- Practise basic subtraction facts: <http://www.arcademics.com/games/ducky-race/ducky-race.html>
- Biscuit decorations: <https://nrich.maths.org/154>
- Maze 100: <https://nrich.maths.org/91>
- Highest and lowest: <https://nrich.maths.org/943>

Narrative Mind Map
