

Prep – Year 2 Homework

Term 1, Week 9-10

Westgarth Primary School
Safe, Fair & Friendly

Reading - Narratives

Story telling is a great way to extend your child's language and listening skills, as well as expanding their imagination. You can either tell the story, or encourage your child to tell the story. Story telling might be about:

- A favourite character from a book or television program
- Another family member
- Your child's favourite toy.

To make it more exciting, ensure to use different voices, puppets or props. You could even record the story to make your very own audiobook.

Mathematics – Patterns

Recognising and making patterns are important maths skills for exploring numbers, shapes and symmetry.

- Identify and explain visual patterns on clothing, wrapping paper, crockery, cards and furniture
- Use coloured pegs, blocks, beads or cutlery to begin a pattern for your child to continue. For example, red, blue, white, red, blue, white
- Encourage your child to draw, create and describe their own patterns. Use them for borders or greeting cards or on material.
