

## **Writing – Biographies (pt. 2)**

This week, your child will be drafting and publishing a biography from the research that they gathered in the previous homework task. If your child did not complete this task, please complete it first.

Firstly, your child will need to choose a way to present their information. Some ideas could be a PowerPoint/Google Slides, a poster, a podcast or a non-fiction book.

### Success Criteria for task:

- I can publish a biography that covers important aspects of the person's life, including:
  - Name
  - What makes them special/interesting
  - Date and place of birth
  - Key events that shaped the person
  - Effect on other people
  - Obstacles overcame
  - Interesting facts
- I can communicate my ideas in an innovative way
- I can paraphrase information that I have researched
- I can reference where I got my information.

Encourage your child to share this project with other family members. You may even wish to support them in sharing it over video call to family members outside of the home.
