

English - Nouns

Nouns are the names for people, places and things.

Use coloured pencils to circle around each noun using the following code. Not all words are nouns:

Blue = people

Orange = places

Red = things

Sam	home	nurse	shed	cat
hot	spoon	bed	jump	car
brother	chair	Australia	dad	flower
school	teacher	bathroom	run	

Look around your classroom and list five nouns for each heading:

Nouns: People

Nouns: Things

Write a sentence using at least two nouns. Underline them:
